She's 39, but she still looks young Not very young, but a lot of fun She's my 39 lady in the sun

49 and I'm feelin' fine
In the sun that's a lot of fun
Drinkin' mai tais, kickin' back with my flip-flops on

I'm wearin' socks and my toe is tight
I think about her every damn night
39 year-old lady, she looks pretty good to me

I'm 49, drinkin' white wine
Not goin' out with no 19 year-old chickities no more
From now on I got my 39 year-old whore
Oh!

Don't you call her a whore I'll fuckin' tear your esophagus out She's sweet and she's getting old And she's mine, to have and to hold

She needs a dentist appointment quick I pay for it and she sucka my dick When we text each other, I fiddle with my anus

I stick the finger in it!
Then I fuckin' didariddly doo
And I fuckin' gots to spew
Upon my belly, dripped upon my shoe
Get me a tissue

I like it cause I don't feel scared She's 39, I'm in my underwear Here she comes, comin' down the hallway She's knockin' on my door!

I open the door
There she is, not too bad, good enough
39 year-old lady, young enough for me
Boobies droopin', but she's good enough for me
