

Take Me Somewhere

Tennis

Ooh, ooh ooh
Ooh, ooh ooh
I get the tulip, you get the light,
Crystal waters, melt do they shine.

An... of ships, we landed
Do.... lines clean and sleek
Does the main ship remind you of me?
Do... things that make you miss the sea
Make fast the line, please don't waste any time
Oh, I feel the wind blowing

Such in the summer you don't know if you and me we can be
Take somewhere, ooh ooh, take somewhere,
Take somewhere, ooh ooh, take somewhere,
Why don't you take somewhere, ooh ooh.

Sitting in the sand, waiting for you to return to land
Sitting in the sand, waiting for you to return to land

Take somewhere, ooh ooh, take somewhere,
Take somewhere, ooh ooh, take somewhere,
Why don't you take somewhere, ooh ooh.
