

All The Pretty Things

Tenth Avenue North

We are, we are, we're caught in the in between
Of who we already are and who we are yet to be
And we're looking for love but finding we're still in need
It's only what we have lost will we be allowed to keep

And we're waiting but our eyes are wandering
To all this earth holds dear

Look at all the pretty things
That steal my heart away
I can feel I'm fading
'Cause Lord I love so many things
That keep me from Your face
Come and save me

We run we run to finally be set free
But we're fighting fighting for what we've already received

So we're waiting but our eyes are wandering
To all this earth holds dear

Look at all the pretty things
That steal my heart away
I can feel I'm fading
'Cause Lord I love so many things
That keep me from Your face
Come and save me

We are we are caught in the in between
But we're fighting for what we already have received
We are we are caught in the in between
But we're fighting for what we already have received

Look at all the pretty things
That steal my heart away
I can feel I'm fading
'Cause Lord I love so many things
That keep me from Your face
Come and save me
