By Your Side

Tenth Avenue North

Why are you striving these days Why are you trying to earn grace Why are you crying Let me lift up your face Just don't turn away

Why are you looking for love Why are you still searching As if I'm not enough To where will you go child Tell me where will you run To where will you run

'Cause I'll be by your side wherever you fall In the dead of night whenever you call And please don't fight these hands that are holding you My hands are holding you

Look at these hands at my side They swallowed the grave on that night When I drank the world's sin So I could carry you in And give you life I want to give you life

And I'll be by your side wherever you fall In the dead of night whenever you call And please don't fight these hands that are holding you My hands are holding you

Here at my side wherever you fall In the dead of night whenever you call And please don't fight these hands that are holding you My hands are holding you

'Cause I, I love you I want you to know That I, yeah I'll love you I'll never let you go, no, no

And I'll be by your side wherever you fall In the dead of night whenever you call And please don't fight these hands that are holding you My hands are holding you

Here at my side wherever you fall In the dead of night whenever you call And please don't fight these hands that are holding you My hands are holding you Here at my side, my hands are holding you Ohhh...
