

Satisfy (my Soul)

Tenth Avenue North

Before the sun has touched the sky
Colors bursting from Your eyes
Before the flood of the morning light
Before the earth has felt Your heat
Before I stand up to my feet
Before I begin to feel this weak

Satisfy me Lord, oh oh
Satisfy me Lord, oh oh
I'm begging You, to help me see
You're all I want, You're all I need
Oh, satisfy me Lord

When the day is closing in
Like the stars in the night I am falling
Into the pull of the earth and it's affection
In me, oh lord, can you create
A pure heart cuz I'm afraid
That I just might run back to the things I hate

Satisfy me Lord, oh oh
Satisfy me Lord, oh oh
Yeah, I'm begging You, to help me see
You're all I want, You're all I need
Oh, satisfy me Lord

You're beautiful, You're beautiful
You're more than all this world can give
You're beautiful, You're beautiful
You're love is all I need to live
You're beautiful, You're beautiful
You're more than all this world can give
You're beautiful, more beautiful
You're love is all I need to live
