Reflecting

Terence Trent D'Arby

Reflecting the still of the water Reflecting the silvery sky Reflecting the stars in the galaxy Are you and I

It`s been said that some mystery Is essential if in love you wanna be If that is true then she is my stigma But I don`t mind loving an enigma

Reflecting the still of the water Reflecting the sun as it shines Reflecting the moon in her solitude Are you and I

I have learned that my intuition Is a guide to my souls` ambition And I know that fear is a liar It will keep you from soaring higher Reflecting the still of the water Reflecting the love in your sigh Reflecting the u in the universe Are you and I

You can go and find a mirror And love will let you see her Then your eyes will open clearly `Cause everything is merely

Reflecting the still of the water Reflecting the silvery sky Reflecting the stars in the galaxy Are you and I
