

# Peace Of Mind

Teresa Brewer

It comes from  
Within your heart and soul  
Peace of mind (peace of mind)  
You're never too young or old  
To find peace of mind (peace of mind)

You'll have to  
Know what is wrong  
To do what is right  
Open your heart and  
You'll see the light

And you'll find, yes, you'll find  
Peace of mind (yeah, yeah)

It comes from  
Within your heart and soul  
Peace of mind (peace of mind)  
It's something you  
Cannot buy with gold  
Peace of mind (peace of mind)

You'll have to  
Know what you want  
Know where you stand  
Be true to yourself  
It's all in your hands

And you'll find, yes, you'll find  
Peace of mind (yeah, yeah)

You have to believe  
In the Lord up above  
And the ones that you love  
The good that you do  
As you pass this way  
Will live for many a day

It comes from  
Within your heart and soul  
Peace of mind (peace of mind)  
To find it, you must pay a toll  
For peace of mind (peace of mind)

You have to give of yourself  
Have brotherly love  
Live by the book and the  
Lord up above

And you'll find, yes, you'll find  
Peace of mind (yeah, yeah)  
And you'll find, yes, you'll find  
Peace of mind (yeah, yeah)

Peace of mind
