Teardrops In My Heart

Teresa Brewer

You'll never know I cried When I found out you lied For I've been hiding All the teardrops in my heart

My eyes dare not reveal The way I really feel Because I know I'll pour My heart out if I start

Though I'm pretending
That I don't care
To be with you, my darling
Is my prayer

But way down deep inside I can't give up my pride So I'll just keep on hiding Teardrops in my heart

Though I'm pretending
That I don't care
To be with you, my darling
Is my prayer

But way down deep inside I can't give up my pride So I'll just keep on hiding Teardrops in my heart
