

# The Banjo's Back In Town

Teresa Brewer

Clap your hands altogether now  
The banjo's back in town  
Clap your hands lovely weather now  
The banjos back in town  
Kick your heels to the ringing of the vulcans swinging through  
What a town! Round and round with a doo wacka doo wacka doo  
You gotta step your feet to the rhythm back in 1925  
Get that beat keep the rhythm alive and with that fellow down b  
elow  
Just give it that Yodee-oh-doh  
That ban-ban-banjoes back in town.  
Repeat
