

The One Rose (that's Left In My Heart)

Teresa Brewer

You're as sweet as the
Red rose in June, dear
I love you, adore you, I do

Each night through love land
We wander, sweetheart
Telling love stories anew

Out of a blue sky
A dark cloud came rolling
Breaking my heart in two

Don't leave me alone
For I love only you
You're the one rose
That's left in my heart

Out of a blue sky
A dark cloud came rolling
Breaking my heart in two

Please don't leave me alone
For I love only you
You're the one rose
That's left in my heart
