

Bad Trippin'

Terminal Choice

You got no girlfriend, you got no sex
You have nothing, that's worth living for
You got no friends, you got no religion
But i can show you something to believe in

Take me, use me and enjoy
Take me, use me, you're my toy

Take me, use me and enjoy
Take me, use me, you're my toy

Take me, use me and enjoy
Take me, use me, you're my toy

Take me, use me and enjoy
Take me, use me, you're my toy

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?

You lose you conscience but that's ok
I can help you out
You lose control, but that's ok
I can help you out

Open your mind and open your soul
You just have to let me in
I prevent that you realize
That's a game that you can't win

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?

Take me, use me and enjoy
Take me, use me, you're my toy

Take me, use me and enjoy
Take me, use me, you're my toy

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?

I am here to make you happy
I show you my secret treat
I take all the bad dreams away
Why don't you lay back and enjoy this trip?
