

I kissed her

Terminal Choice

i am trapped in a world
of illusion and fear
but in my dreams
i escape from this place

and in a dark and cold knife
i had my destiny
i looked into her eyes
and i saw a fragile child

and then she felt into my arms
i couldn't resist
i kissed her
and it felt like heaven

i can't understand
but i don't want to understand

and then we were alone
everything could happened
she looked into my eyes
and she saw my confusion
so she took me by the hand
and whispered: may i kiss you

i felt her warm lips
on my lips
and i wanted it to last forever
