

## I'm Just A Boy

### Terminal Choice

I wanna know if you really like me, baby  
I wanna know if you really love me, baby  
I wanna know if you really want me, baby  
I wanna know if you really fuck me, baby

I'm just a boy  
And I'm not so pretty, not like you  
I'm just a boy  
And I'm not to fall in love like you  
I'm just a boy  
And I'm not so pretty, not like you  
I am just a big fat asshole  
I can hurt you like you do (to me)
