

## Little Seventeen

### Terminal Choice

You're staring at me with this tender look  
You're smiling at me, promise me everything  
I don't like the way you talk  
I don't like the way you walk  
I don't like what you do  
I'm falling away from you

Your love's not what I'm looking for  
I don't wanna be hurt no more  
I feel like sacrifice my soul  
for a girl that's just pretending  
You don't know what it means to love  
You don't know what it means to hate  
You don't know what's it all about  
and you will never understand  
Little seventeen  
Don't turn your back on me  
My little seventeen  
I won't forget the things we had

You're talking to me with your sweetest voice  
But you're still hurting me  
cause you don't understand  
Can't you hear the words I say?  
Do you really like the game I play?  
Don't you think that I'm too strong?  
Loving me - it seems so wrong

I'm running away from you  
I'm running away from you  
I'm running away from all the  
stupid, stupid things you do  
Never turn your back on me  
You're just too young
