

Myspace hero

Terminal Choice

You have so many friends
Everybody knows your face
They know everything about you
But you are not so cool
And you are not so pretty
This is even not your picture

You're a myspace hero
Myspace hero
You're a myspace hero
But you have no friends in the real world

You feel so fucking lonely
outside your virtual world
And you can't remember
how it feels to touch a girl
But you have to face reality
There's a world outside your room
Please just press the
Be a part of the story called life
