

# The Real Thing

Terranova

Come and see the real thing  
Come and see the real thing come and see  
Come and see the real thing  
Come and see the real thing come and see  
There's a meaning there  
There's a meaning there  
It's really really big  
Come and see the real thing  
Come and see the real thing come and see

I am the real  
Thing

Nanana...

Trying hard to understand the meaning that you see in me  
Trying hard to understand the meaning that you see in me  
There's a meaning there  
There's a meaning there  
It's really really big  
Come and see the real thing  
Come and see the real thing come and see

I am the real  
Thing  
I am the sea in you...

Trying hard to understand the meaning that you see in me  
Trying hard to understand the meaning that you see in me  
There's a meaning there  
There's a meaning there  
It's really really big  
Come and see the real thing  
Come and see the real thing come and see

I am the real  
Thing

Nanana...  
I am the sea in you...
