

## Getting Even With The Blues

Terri Clark

I think I'm gonna smile for a while  
Pull the curtain back and let some moonlight in  
Gossip on the phone with my old friends  
Like I used to do

I'm gonna put your memory away  
Show this achin in my heart a thing or two  
Cause tonight I'm getting even with the blues

That lonely feelings had it's way  
Ever since the day I heard you say goodbye  
The hurting thinks its found a home  
But I'm gonna let it know it ain't welcome here tonight

Tomorrow that old cloud may come around  
And there won't be anything that I can do  
But tonight I'm getting even with the blues

That lonely feelings had it's way  
Ever since the day I heard you say goodbye  
The hurting thinks its found a home  
But I'm gonna let it know it ain't welcome here tonight

Tomorrow that old cloud may come around  
And there won't be anything that I can do  
But tonight I'm getting even with the blues  
Oh, tonight I'm getting even with the blues
