

I Just Wanna Be Mad

Terri Clark

Last night we went to bed not talking
Cause we already said to much
I face the wall you faced the window
Bound and determined not to touch

We've been married 7 years now
Some days it feels like 21
I'm still mad at you this morning
Coffee's ready if you want some
I've been up since 5
Thinking about me and you
And I've got to tell you
The conclusion I've come to

I'll never leave, I'll never stray
My love for you will never change
But I ain't ready to make up or get around to that
I think I'm right I think your wrong
I'll probably give in before long
Please don't make me smile
I just want to be mad for awhile

For now you might as well forget it
Don't run your fingers through my hair
Yeah that's right I'm being stubborn
No I don't want to go back upstairs
I'm going to leave for work
Without a goodbye kiss
But as I'm driving off
Just remember this

I just want to be mad for awhile
I just want to be mad for awhile
I just want to be mad for awhile
