

## If I Were You

Terri Clark

You were standin' at my front door  
When I came home tonight  
And I could tell by the look you gave me  
You were needin' my advice  
You say you want more out of life than he can give you  
As a tear rolls down your face  
But girl, I've seen the way he looks at you  
And I know someone who'd gladly take your place.

If I were you  
I'd run back home tonight  
Tell him everything's all right  
Yeah, I know what I'd do  
If I were you  
I'd never let him go  
I'd have someone to hold  
My whole life through.

If I were you.

You shouldn't think you're missin' out on something  
Because you wear a wedding band  
'Cause I can't seem to find somebody  
Who wants more than just a one night stand  
You know this single life I'm livin'  
Ain't all it's cracked up to be  
So you've come to the wrong place  
If what you want is sympathy.

If I were you  
I'd run back home tonight  
Tell him everything's all right  
Yeah, I know what I'd do  
If I were you  
I'd never let him go  
I'd have someone to hold  
My whole life through.

If I were you  
I'd run back home tonight  
Tell him everything's all right  
Yeah, I know what I'd do  
If I were you  
I'd never let him go  
I'd have someone to hold  
My whole life through.

If I were you...
