

Now That I Found You

Terri Clark

How can I believe
That my heart would find someone like you
You see me, the real me
No in bewteens, I had nowhere to hide
You took away the walls around me
Made me feel safe to share my truth.

I see the heavens open, a heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer, you touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you.
Now that I found you.

I do believe we're meant to be
Our chemistry will last forever
And through the years
We'll see some tears
We'll conquer fears
And together we will grow
Looking in your eyes
They tell me
I no longer have to feel alone.

I see the heavens open, a heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer, you touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you.
Now that I found you.

You see me, the real me
You believe in me.

I see the heavens open, a heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer, you touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you.
Now that I found you...
