

## Now That I Found You

Terri Clark

How can I believe  
That my heart would find someone like you  
You see me, the real me  
No in bewteens, I had nowhere to hide  
You took away the walls around me  
Made me feel safe to share my truth.

I see the heavens open, a heart that once was broken  
Is holding nothing back  
Now that I found you  
You hold me like a prayer, you touch me everywhere  
A lifetime just ain't enough to love you true  
Now that I found you.  
Now that I found you.

I do believe we're meant to be  
Our chemistry will last forever  
And through the years  
We'll see some tears  
We'll conquer fears  
And together we will grow  
Looking in your eyes  
They tell me  
I no longer have to feel alone.

I see the heavens open, a heart that once was broken  
Is holding nothing back  
Now that I found you  
You hold me like a prayer, you touch me everywhere  
A lifetime just ain't enough to love you true  
Now that I found you.  
Now that I found you.

You see me, the real me  
You believe in me.

I see the heavens open, a heart that once was broken  
Is holding nothing back  
Now that I found you  
You hold me like a prayer, you touch me everywhere  
A lifetime just ain't enough to love you true  
Now that I found you.  
Now that I found you...
