

Life Goes On

Terror

Say I got a problem with everything
Can't see this clear and I won't change
It's been dragging me down for so long
The only thing left is for me to walk

Life goes on
With or without you
I'm not sorry
I doubted you

Lost hope, it's broke
What do you want to hear me say?
You are the one that never bothered
I'm set free by turning away

Life goes on
Without you
I'm not sorry
I doubted you

Keep asking yourself
What went wrong
I'm already gone
Still asking yourself
What went wrong
I'm too far gone

Too many times you said get lost
Well now it's happening
This time it's happening
Too many times you said fuck off
I regret our paths ever crossed
