

## Only Death

Terror

Been running from reality  
But there's no easy way out  
Dirty deeds come so easy to me  
The devil touched my soul  
In my darkest days  
I can't believe I went so low  
I had no love for myself  
I didn't want to see the debts I owed

Only death can slow me down  
Only death can stop me now

Where there's smoke, there's fire  
So I burnt myself to dust  
From the ashes I rebuilt  
And try to walk among the just

Only death can slow me down  
Only death can stop me now

I won't be trapped, won't be held down  
Only death can slow me down

Only death can stop me now

Shake off the pain from the lessons I've learned  
Won't let myself become my wounds
