

The Good Die Young

Terror

Death Comes So Swiftly To Leave Us Bitter And Alone.
The Brotherhood Reduced To Words Carved In Empty Stone.
Lost In Memories Of You, We stand Here Thinking All The Good
Times That We Shared, You`re Still Alive In All Of Us.
Ashes To Ashes And Dust To Dust. Only The Good Die Young
You`re Still Living Through All Of Us.
The bond Of Friendship, Those honest Days We Lived In
God Knows I Miss Them So Much, Still Alive In All Of Us.
Ashes To Ashes And Dust To Dust. Only The Good Die Young
You`re Still Living Through All Of Us.
Ashes To Ashes And Dust To Dust. Only The Good Die Young.
Dreams Die Fast And Silver Rust
Cut Down Hard By The Reapers Hand
Dreams Die Fast, The End Crashes In. Look At Me Now,
Cant Find Myself Without You. In A Blink Of A Eye, I Lost You.
Ashes To Ashes And Dust To Dust. Only The Good Die Young
You`re Still Living Through All Of Us.
