

Happy Song

Terrorgruppe

ba ba ba babadabaduba
babaduba baba dipi dupi
ba ba ba babadabaduba
babaduba baba dapeti dapeti
yeah
yeahh yeahh yeahh

right now i feel happy
i have a real good time
live treats me good
the sun will always shine
but don't misunderstand me
it's still in my mind
i hate the cops by my guts
and this country will never be mine

ba ba ba babadabaduba
babaduba baba dipi dupi
ba ba ba babadabaduba
babaduba baba dapeti dapeti
yeah
yeahh yeahh yeahh

i can't feel much better
but still i know the truth
politicians are liars
who love to cheat the youth
religions are bad
the pope's a hypocrite
and the DEAD KENNEDYS without Jello
is fucking bullshit

ba ba ba....
