

Darker Days Ahead

Terrorizer

Kept in chains
Locked away
In bondage
In darkness

The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming

The time has come
To break the chains
The time has come
No time to waste

The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming

Darker days

Darker days
Thunder, fire, dearth

Kept in chains
Locked away
In bondage
In darkness

Darker days
Darker days
Darker days ahead
