

## Darker Days Ahead

Terrorizer

Kept in chains  
Locked away  
In bondage  
In darkness

The storm is coming  
Dark clouds are forming  
The storm is coming  
Dark clouds are forming

The time has come  
To break the chains  
The time has come  
No time to waste

The storm is coming  
Dark clouds are forming  
The storm is coming  
Dark clouds are forming  
The storm is coming  
Dark clouds are forming

Darker days

Darker days  
Thunder, fire, dearth

Kept in chains  
Locked away  
In bondage  
In darkness
