Kept in chains Locked away In bondage In darkness

The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming

The time has come To break the chains The time has come No time to waste

The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming
The storm is coming
Dark clouds are forming

Darker days

Darker days
Thunder, fire, dearth

Kept in chains Locked away In bondage In darkness
