

Doomed Forever

Terrorizer

Chaos, despair and agony
Evil ruling the earth
Spreading hate and destruction
For ten thousand years

Famine, pestilence, death

The lord sits on the throne
Dictating the sheep
Pacifying with violence
A vicious cycle of death

Famine, pestilence, death

Chaos, despair and agony
Evil ruling the earth
Spreading hate and destruction
For ten thousand years

Famine, pestilence, death

Doom, doomed forever
