

Generation Chaos

Terrorizer

Born in total chaos
so much confusion
way out of balance
unstable future

distortion of perception
and distorsion of sound
walking sleep in a dream
trying to find peace

a winter storm in summer
a sunny day at night
wolves in combat boots
swine in business suits

distorsion of perception
and distorsion of sound
walking sleep in a dream
trying to find peace

headless men on tv
talking heads dictate
faithful blind sheep
running off the cliff

distorsion of sound
and distorsion of sound
walking sleep in a dream
trying to find peace
