

Ignorance and Apathy

Terrorizer

Scriptures on gravestones
remnants of the past
everything is meaningless
to the brainwashed mind

nonsense rhetoric
lies cannot survive
the myth of progress
illusions they cannot hide

there\'s no beginning
there is no end
there\'s only ignorance
and apathy

all the signs and symbols
are trying to wake you up
the fear to loose your comfort
is making you deaf and blind

nonsense rhetoric
lies cannot survive
the myth of progress
illusions they cannot hide

there\'s no beginning
there is no end I
there\'s only ignorance
and apathy
