Ignorance and Apathy

Terrorizer

Scriptures on gravestones remnants of the past everything is meaningless to the brainwashed mind

nonsense rhetoric lies cannot survive the myth of progress illusions they cannot hide

there\'s no beginning there is no end there\'s only ignorance and apathy

all the signs and symbols are trying to wake you up the fear to loose your comfort is making you deaf and blind

nonsense rhetoric lies cannot survive the myth of progress illusions they cannotnide

there\'s no beginning there is no end I there\'s only ignorance and apathy
