

## Legacy of Brutality

Terrorizer

Look at the ashes  
Of the unknown past  
Under the rubble  
And burnt by the sun

Glyphs of brutality  
Record the legacy

Scrolls and idols  
Used to control  
Enslavement and conquest  
In search for a soul

Glyphs of brutality  
Record the legacy

Icons of hatred  
They live to deceive  
Spreading injustice  
All over the land

Encrypted in minds  
Despotic delusions  
Bleeding humanity  
Stolen spirits scream

Glyphs of brutality  
Record the legacy
