

Mayhem

Terrorizer

Self-imposed depression
Creating my own hell
Trapped in patterns
Nihilistic death

Stolen in youth
Loss of the truth
Born to be same
Life turns to pain

Mayhem
Mayhem
Mayhem in my head
Mayhem in my head
Mayhem
Mayhem
Mayhem in my head
Mayhem in my head

Peace turns to conflict
Joy to misery
No reason to stand
Rotting internally
Useless therapy
A waste of time
Need a way-out
My world is crashing down

Self-imposed depression
Creating my own hell
Trapped in patterns
Nihilistic death

Mayhem in my head
