

## Need To Live

**Terrorizer**

Birth from wound  
life begins  
sin from start  
hell of living  
no-one cares  
no-one listens  
to the cries  
of lost defeat  
(Need to Live)  
Why must one  
suffer through life  
always take second  
Price to pay  
can't stand society  
can't stand lies  
Born to live  
Then to die  
(Need to Live)
