

Spanner In The Works

Terrorvision

You're the spanner in the works,
You're the throbbing sensation I get in my head,
You're the knife in my back that turns,
Or the broken heart that makes me wish I was dead,
When I say that you mean everything to me,
Haven't you heard.

You're the sunshine spoiled by rain,
You're the sadness, loss and all that kind of pain,
You're my jinx, my hex, my curse,
Or time just after I thought things couldn't get worse,
When I tell you that you're everything,
I mean every word.

It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,

You're the thorn in my side,
You're the sun but you're getting in my eyes,
You're the problem that returns,
You're the same mistake and still I never learn,
When I tell you that you're everything,
I mean every word,

It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,

Everything you've ever done, everything you ever said,
Everything I ever heard get's me angry seeing red,
When I say that you mean everything to me,
I mean what you heard,
Cos when I tell you that you're everything,
Haven't you heard,

It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
Everything you've ever done, everything you ever said,
Everything I ever heard,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
It's never enough oh no it's never enough,
