

## My Amigo

Terry Allen

I need money  
I need love  
I need a cadillac  
To give me a shove  
And get me out of this up-tight  
Mid-night  
Into some lime-light...again  
Yeah 'cause I know  
My ego  
Ain't my amigo  
Anymore  
An  
I need whiskey  
I need style  
I need a job  
to make it worthwhile  
And to get me out of this up-tight  
Mid-night  
Into some lime-light...again  
Yeah 'cause I know  
My ego  
Ain't my amigo  
Any more
