Rendevouz Usa

Sa la vey Sa la guerre When that soft suburban moonlight Plays a mansionette melody

Calling all blue collars And their sweet boufantee's To go slipping through the shadows Sipping corvasier

It's magnifique In Rendezvous, U...S...A Sa la vey It's not Parie

Sa la guerre It's over here When fast food restaurants elegante Offer glamour with glitter galore

An tattooed hands hold champagne That whispers of amour To them coquettes across the tables With their crepe-suzette's flirt'eee...yeah

Ahhh great fond-due In Rendezvous U...S...A Sa la vey It's not Parie

Sa la guerre Yeah but I don't care 'Cause sleazy sheik haunts the ballrooms Dancing disco's debonair

An beau-coups of hip medallions Rub against Frederick's brassieres An they'll soon get off together To French tickle some tet-a-tet...yeh

Ahhh what a grand adieu To Rendezvous... What a grand adieu To Rendezvous U...S...A
