

## If You Go Away

Terry Jacks

If you go away on this summer day  
Then you might as well take the sun away  
All the birds that flew in a summer sky  
When our love was new and our hearts were high  
When the day was young and the nights were long  
And the moon stood still for the nightbird's song

If you go away  
If you go away  
If you go away

But if you stay, I'll make you a day  
Like no day has been or will be again  
We'll sail the sun, we'll ride on the rain  
We'll talk to the trees, we'll fly with the wind

But if you go away, will I love you so  
There'll be nothing left in the world, you know  
Just an empty room, full of empty space  
Like the empty look I see on your face

If you go away  
If you go away  
If you go away

But if you stay, I'll make you a day  
Like no day has been or will be again  
We'll sail the sun, we'll ride on the rain  
We'll talk to the trees, we'll fly with the wind

If you go away  
If you go away  
If you go away
