Hey I saw the light, yeah tell me that you saw the light

I don't know why I even do it, all I know is I'm so glad
We always make it through it, one way or another
We're gonna make it or break

I got alot of love for you, I guess that means I got alot to lo
se
I got alot of love for you and only you

I don't know how we even do it, all I know is I'm so glad
We always make it through it, one more time now baby

Got me two times a wife, just like my mother
She's there to love and understand
Got me two times a wife, she really does have a touch just like
no other hands
The sparkle in my eye, too many times I left her there alone at
night
The way you light up my life, yeah your love is two times as ni
ce
I don't know how we make it through it, all I know is I'm so gl
ad
We always seem to do it, one way or another
We're gonna make it or break

I got alot of love for you, I guess that means I got alot to lo
se
I got alot of love for you and only you
I got alot of love for you, I do, and that's the way it should
be

I don't know why we even do it, all I know is I'm so glad
We always make it through it, one more time now friend
