I don't know why I even do it, all I know is I'm so glad

Got me two times a wife, just like my mother  
She's there to love and understand  
Got me two times a wife, she really does have a touch just like  
no other hands  
The sparkle in my eye, too many times I left her there alone at  
night  
The way you light up my life, yeah your love is two times as ni

We always seem to do it, one way or another  
We're gonna make it or break

I got alot of love for you, I guess that means I got alot to lo  
se  
I got alot of love for you and only you  
I got alot of love for you, I do, and that's the way it should  
be

I don't know why we even do it, all I know is I'm so glad  
We always make it through it, one more time now friend
