

Got No Glory

Tesla

What I feel, is what I say
I'm keepin' it real, so never mind the taste
'Cause I know there's nothing deeper than truth
So give me the reason, not the excuse
Even the things I can hardly believe
Is something that I can use

I'll never be your alibi, or tell you what you wanna hear
Knowing that I'd rather die, than have my word be insincere

I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
And not some candy-coated lie, come and get it

To falsify don't make no sense
I'd rather deal with the consequences
'Cause I know there's nothing deeper than truth
So give me the reason, not the excuse
Even the things I can hardly believe
Is something that I can use

I never need an alibi, don't sell it to me out of fear
Told you that I'd rather die, than have my word be insincere

I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
Not some candy-coated lie
I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
And not some candy-coated lie, come and get it

I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
Not some candy-coated lie
I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
Then just look me in the eye
I got no glory, so if you wanna hear the real story
I got no glory, so I'm gonna give it to you like it is
If you wanna hear the real story
And not some candy-coated lie, come and get it
