

## Little Suzi

Tesla

Little Suzi's on the up, looking for a get-away  
Ruby tries to bring her down, she's lookin' for another way  
Little Suzi's on the up, headin' for the spotlights  
Ruby finally gets up, lookin' for some quiet night

And the music makes her feel so hot  
Ooh and she'll smile for the camera with all she's got  
Don't bring her down, she's a lot like you  
She'll be richer by far if her dreams come true

Little Suzi's on the up

Little Suzi's on the up, now suddenly it's not a game  
Ruby's got to give up, 'cos Suzi's plainly set on pain  
Little Suzi's on the up, cost in cost, your point is made  
Ruby's gonna hang around, to make sure Suzi's okay

Don't bring her down, she's a lot like you  
She'll be richer by far if her dreams come true

Little Suzi's on the up

Don't you bring her down, she's a lot like you  
She'll be richer by far when her dreams come true

Little Suzi's on the up, oh yes she is, ow!  
Now she's on the up, little Suzi's on the up  
Heading for the spotlight, oh little Suzi  
Oh and the music makes her feel so hot, go little Suzi, yeah  
Ohh, yeah yeah, oh yeah
