

VERSE 1

And the sign says long haired freaky people need not apply
So I tuck my hair under my hat and I went in to ask him why
He said you look like a fine outstanding young man, I think you'll do
So I took off my cap and said imagine that, me working for you

CHORUS

Signs, signs, everywhere signs
Fuckin' up the scenery, messin' my mind
Do this, don't do that
C D riff (intro)
Can't you read the sign?

VERSE 2

And the sign read anybody caught trespassing will be shot on site
So I jumped the fence and yelled at the house hey, what gives you the right
To put up a fence to keep me out, or to keep mother nature in
If God were here he'd tell it to your face, man you're some kind of sinner

CHORUSx1

And say now mister can't you read
you gotta have a shirt and tie to get a seat
you can't watch, no you cant eat
you aint supposed to be here

stop--

And the sign says you got to have a membership card to get inside

solo

(over chorus progression)

VERSE3

And the sign says everybody welcome come in kneel down and pray
And they passed the plate at the end of it all
and I didn't have a penny to pay
So I got me a pen and paper, and I made out my own fuckin' sign
It said thank you, Lord, for thinkin' 'bout me, I'm alive and doin' fine

CHORUS x1
