Got me a woman, won't toke about it Says she doesn't need it, she can do without it If I try to push it, she'll say shove it! Baby if ya tried it maybe you might like it! Even love it! Loosen up! Let's toke it over! Loosen up! Let's toke it over! Always got a problem, she can't lose it She likes to drive me crazy when she chooses Baby, if you got it you should use it Oh, you can play with fire, but just don't abuse it Just use it Loosen up! Let's toke it over! Loosen up! Let's toke it over! Loosen up! Loosen up! Let's toke, toke, toke about it Let's toke, toke about it Now sticks 'n' stones'll break your bones A little tokin' never hurt no one! Let's toke, toke, toke about it! Have a toke! I'm a-tokin' witchoo Ah, that feels better now Let's ya feel the groove Ah, don't stop now Oh, keep on a-ziggin' and a-zaggin' all over the place On the bed, on the floor But then, who knows baby, maybe if we really like it that much Maybe baby, we can do it some more! Since we had a toke, no doubt about it, ha ha Baby's feelin' better, can't live without it Both our hearts on fire, now we're really smokin' Mm, all we ever needed was a little tokin'! Let's toke, toke about it C'mon! Let's toke, toke, toke about it Now sticks 'n' stones'll break your bones A little tokin' never hurt no one! Let's toke, toke about it! Ow! Have a toke! Let's toke, toke about it C'mon! Let's toke, toke, toke about it Let's toke, toke about it

Let's toke, toke, toke, toke, toke, wooh!

Toke, toke, toke, toke, toke, toke, toke
Toke it, toke it, toke it, toke it, toke it, wooh!
Toke about it for a little bit!
Ow
