

Try So Hard

Tesla

Oh time, when it goes on and on and on again
Like a drop in the rain, like a snowflake in the sun
Fallin' out of the sky on everyone
You and me, everybody, everyone, everybody you see
We travelled so long, seemed like forever
Never mattered just as long as we're together
I've travelled alone, you know it gets so, oh, oh no

The next time, and it goes on and on and over again
Like a drop in the rain, like a snowflake in the sun
Fallin' out of the sky on everyone
You and me, everybody, everyone, everybody you see
You know I've said it before
You're the only one that could make me feel better
I'm lonely, out here on my own

Try so hard - I try so hard to believe
Try so hard - do you believe in me
Try so hard - you know I try so hard, try some more, feelin' is
believin'

Now I've travelled so far, but not forever
Doesn't matter 'cos I know we'll be together
I'm singin' this song till I see you again

Try so hard - yes seein' is believin'
Try so hard - but feelin' is believin'
Try so hard - seein' is believin', feelin' is believin'
Try so hard - again
Try so hard - seein', seein' and feelin' is believin'
Try to hard - yeah, I try so hard, try to believe in you
