

Of Reality – Eclipse

Tesseract

I won't deny
My mind has wandered to the other side
Follow the light
The beauty of explosions in the sky

I've breached the silence
I reek of sin
A rift in the forked road I grow to dread
Don't cry to me
I'm not a friend
To those who dwell on the dead

Detox sunrise

There's a crevice in my hope
The scale
The means
The end won't stop overwhelming me
No light at the end of the tunnel
The fear
The doubt
The dark won't cast shadow over me

I'm broken
You're broken

As the crescent grows
As the light returns
Can we face a new beginning?
Such a retrospective obsession
