

## Agony

## Testament

Trapped in a nightmare  
Prisoners of warfare  
Days gone become years  
Of suffering ...  
Fight on but what's to gain ?  
Misfortune leads to pain ...  
Fearless they won't die  
Caged in they ask why  
Cry out but don't cry  
In agony ...  
Live on but what's to gain  
Die slowly everyday  
Misfortune leads to pain  
Will they ever be saved  
From agony, Agony,
