

Agony

Testament

Trapped in a nightmare
Prisoners of warfare
Days gone become years
Of suffering ...
Fight on but what's to gain ?
Misfortune leads to pain ...
Fearless they won't die
Caged in they ask why
Cry out but don't cry
In agony ...
Live on but what's to gain
Die slowly everyday
Misfortune leads to pain
Will they ever be saved
From agony, Agony,
