

# So Many Lies

Testament

I didn't mean to offend you  
But you were way out of line  
And I can't help the way I feel  
Who said I feel fine ?  
I'll only give you one warning  
Then you must realize  
The day of judgement is closing in  
your selfish ways bring your demise

He who lies  
Evil pays  
Who are you ?  
Who made you anyway ?  
Wrong or right  
Who's to say  
I wanna know  
Who made you God today

Slave to the ways of the system  
Soon to be crucified  
I've seen into your darkest fears  
The ones you cannot hide  
I know where you go when  
Your fears start showing  
You run, You cannot hide  
Will they respect you when  
You ask of the world,  
Forgive me for so many lies' ?

He who lies  
Evil pays  
Who are you ?  
Who made you anyway ?  
Wrong or right  
Who's to say  
I wanna know  
Who made you God today

Is there a need to pretend  
To be a man, so divine  
And even if I offended you  
My truth you can't deny  
I know where you go when  
Your fears start showing  
You run, You cannot hide  
Will they respect you when  
You ask of the world,  
Forgive me for so many lies' ?

He who lies  
Evil pays  
Who are you ?  
Who made you anyway ?  
Wrong or right  
Who's to say  
I wanna know  
Who made you God today
